

Getting to Know You

Please fill out this *Getting to Know You* form. We already do so much in the community, I would like the alliance to help support what you are doing (fundraisers, Agencies, and events). We will be involved and help you get involved on whatever level, if that is what you want. We also want to know if you would like to work on any of our Alliance projects and committees. The Nominating Committee uses this form to slate our leadership. What would you like to do? Thank You for taking the time.
